

Career Awareness Packets: Grades K-6

Career Awareness Packets

This series of programs (K-6) is designed to raise a child's interest in numerous careers that exist in the world around us. The literature based curriculum focuses on careers selected from a six career pathway design. In each packet you will find the literature and a guide to enable you to integrate career awareness into your daily lesson plans. These packets support grade level appropriate emphasis on the components required by School-To-Work

Aero & Officer Mike & Jin Woo-Grade 2 Social Science

19014 BK
P 30 p. 2001 Storybook Station
Aero & Officer Mike - Police Partners. Career Focus: Police Officer Author: Joan Plummer Russell. The text pictures of this book reveal the daily demands of the jobs performed by Officer Mike and Aero, as well as the deep friendship between man and dog. This story is the result of the author's experience riding along on duty shifts with Officer Mike and Aero over a two year period. Jin Woo. Career Focus: Adoption Counselor, Author: Eve Bunting. Davey likes his family the way it is. He certainly never asked to be a big brother, nor did he invite Jin Woo to become a part of his family. Eve Bunting writes a deeply emotional tale of Davey learning to understand that being a big brother can mean being surrounded with more love than ever.

This is the tale of a scruffy stray cat, tossed into a world where he knew not of hats, nor frilly pink dresses, nor fanciful tresses. He became quite a star in the wink of an eye. The House in the Mail. Career Focus: Product Distribution Clerk. Author: Rosemary and Tom Wells. In 1927, Emily's pa brings home a catalog that will change their lives forever. Inside are pictures of houses - wonderful houses that feature all the latest appliances, including an electric refrigerator, a gas stove, and indoor plumbing. But most exciting is that the house will arrive on a freight train, all ready to be assembled.

Women are Surgeons

14130 VH
JSA 24 min 2004 National Institute of Health
Television shows like "Chicago Hope" and "ER" show you the drama and intensity of the lives of surgeons, but do these shows portray what it is really like? If you become a surgeon, is it possible to meet the demands of a challenging career and still have a private life? In this video, you will see into the professional and personal world of three women surgeons who lead complex lives like the characters on TV. You will get to peek into the operating room during real-life trauma, orthopedic and cardiac surgeries.
